

I NEED A HOME

Wally

Breed: Staffordshire Bull Terrier X

Size: Medium

Gender: Male

Centre: Sunnyside

Age: 7-10 months

Child Suitability: 13 Years +

Live With Dogs: Possibly

Status: Available

Wally is a very friendly, excitable boy, who will need to go to a very active new home, as he has lots of energy to burn.

He is house-trained, castrated, sits & gives paw.

Wally can be a bit inappropriate, play growling, mouthing & jumping up, so needs to go to an all adult, experienced new home, able to supply him with the guidance he needs to improve his doggy manners.

A lovely lad, with loads of potential, Wally will make a charming pet with some work.
