

I NEED A HOME

Mason

Breed: Staffordshire Bull Terrier

Size: Medium

Gender: Male (N)

Centre: Birmingham

Age: 8YRS

Child Suitability: 6 years +

Live With Dogs: No

Status: Available

Although mason is and older boy he is still a bright happy staffie who loves lots of fuss and attention.

Mason does know a few basic commands he knows how to sit, give paw and lie down. However he does love his food and toys so it would be easy to teach him new tricks. He will occasionally leave on command so this will just need a bit of working with.

This loveable lad has been with us for nearly 7months we feel it is now his turn to find his forever home that he truly deserves.

Mason walks well on a harness as he will pull occasionally on a lead.

We feel Mason would need a home with no other dogs.
