Live With Dogs: No

Hi my name is Akeera. I am a typical husky, Who is very energetic and happy to see everyone.

I must be walked on a harness as I pull so much on a lead and make myself sick!

It is best I go out with no children as I am not keen on anyone coming by my bowl.

When I go to new family I will need someone with time to continue with my training.

I would like no dogs in my new home but I can walk by them and will say 'hello' too.

Please call the Birmingham Centre, if you can offer me a forever home.
